

How to Download Your Candidate ID Card

A quick walkthrough for logging into the SSODL portal and downloading your Candidate ID Card from the candidate dashboard.

Before you start: Log in using the same email ID you originally submitted to Jaro Education at the time of admission, along with the password shared with you by your Jaro mentor. If you don't have these handy, contact your Jaro mentor before proceeding.

1

Open the SSODL portal

Go to the login page using this link:

ssodl26.ishinfo.com → **SSODL Login**

This is the Symbiosis School for Online and Digital Learning (SSODL) sign-in page.

2

Enter your login details

In the **SSODL ID or Email ID** field, enter the email address you gave to Jaro Education during admission. In the **Password** field, enter the password given to you by your Jaro mentor. Then click **Sign in**.

3

Enter the OTP

After signing in, an OTP validation screen will appear. Check your registered email or phone for the OTP, enter it in the **Enter OTP** field, and click **Submit**. If you don't receive it within a minute, click **Resend OTP**.

4

Open the "Candidate Id Card" option

Once logged in, you'll land on your candidate dashboard with a side menu. Look for **Candidate Id Card** in the list (highlighted below) and click it.

Candidate dashboard menu — **Candidate Id Card** is the option highlighted in red

5

Download / print your ID card

Your Candidate ID Card will open on screen. Use the on-page **Download** or **Print** option (usually top-right of that page) to save it as a PDF or take a printout.

Keep a soft copy and a printed copy handy — you may need to carry your ID card for exams, orientation, or on-campus sessions.

Guide prepared for the Symbiosis SSODL candidate portal login & ID card download flow.
